

ABOUT ATGAMES:

ATGames (www.atgames.pl) is game development studio based in Warsaw/Poland specializing in high quality mobile games. Two latest games from ATGames foundry: *Puzzle Craft* and *Another Case Solved* are highly recognizable on mobile markets and have received accolades as Apple Editors Choice, IGN People Choice, Best of Appstore, and many others. Our Vision is to make the world better through our games, so we always try out new ideas, and experiment with genres to give the players the best experience possible.
